

"Give a lie twenty-four hours start, and it will take a hundred years to overtake it." (by C.F. Dixon-Johnson, British author of the 1916 book, The Armenians, appalled over the deceitful practices of his book's subject.) Well, we are almost there after close to a century, and let us expose these Armenian fabrications to the fullest extent possible:

ARMENIAN FABRICATIONS

NUMBERS GAME ???

..... :

..... : **0.2 MILLION**

1980's : 0.5 MILLION

2000's : 1.0 MILLION

2010's : 1.5 MILLION

GOING, GOING...

These, they say, are the numbers of Armenians killed (ever increased year by year!).It is almost like playing a numbers game with the lives of people. However, it is a matter that should be taken very seriously.

Before turning the page over, consider also the Turks who were killed by armed Armenians: 518,105 dead from 1914 to 1921 according to the Turkish State Archives (2001). Also, "It is a well-known fact that even in the last war [WWI] the native Christians, despite the Turkish cautions, armed themselves and fought on the side of the Allies. In these conflicts, they were not idle, but they were well supplied with artillery, machine guns and inflicted heavy losses on their enemies [the Turks]." George M.Lamsa (Christian Missionary) The Secret of the Near East, The Ideal Press, Philadelphia (1923), p. 133. (from the chapter entitled "The Armenian Revolution")

The numbers on the cover are supposed to be the number of Armenians that were killed at the hands of the Turks some 95 years ago, as propagandized by a few Armenian organizations, such as ANCA (Armenian National Committee of America). Notwithstanding the fact that the claimants somehow are totally oblivious to the hundreds of thousands of Turks and Kurds that were also killed during those terrible times of the demise of the Ottoman Empire in the early twentieth century while the Armenians were aiding and abetting the Russian and French armies invading the Ottoman lands, and instigating the ensuing internal savagery, **the question arises: WHY DO THESE NUMBERS KEEP CHANGING if they are so sure of their claims?** What are these numbers based on? Is it only a **NUMBERS GAME** to fit their upwardly changing agenda?

To begin with, let us examine how many Armenians **lived** in the Ottoman Empire, how many of them were **relocated**, how many reached their destinations in 1915, but **returned** with the Russian or French Armies or immigrated to the Greek Islands, Cyprus, France, the U.S., Egypt, Palestine, Lebanon and Russia in large numbers or returned to Turkey.

As a reference, the Ottoman state's 1915 census showed an Armenian population of **1,294,851**. Estimates of some other sources are¹:

- | | |
|--|-------------------|
| 1- US Senate Joint Res. 192/April 22, 1922
Total Armenian population on Dec. 31, 1922 | 1,414,000. |
| 2- US Senate Res. – Nov.10, 1919 - Doc 151, p.8
Total Armenian population in Nov. 1919 | 1,293,000. |
| 3- Paris Conference Feb.1919, -
Reported by *American Official George Montgomery" | 1,104,000. |
| 4- Reported by Dr.. F. Nansen, Head of
League of Nations Emigrant Commission, Nov. 1919 | 1,080,000. |
| 5- Reported by Armenian PM Katchaznuni and Historian
A.A. Lalaian June, 1918 | 1,000,000. |
| 6- Paris Conference, Feb. 1919, Reported by
Boghos Nubar & Greek PM Venizelos | 880,000. |
| 7- "New York Times" Oct. 22, 1915 | 1,200,000. |
| 8- Encyclopedia Britannica – 1914 | 1,500,000. |
| 9- National Geographic, Oct.1915, - p.329
(All areas including Russia and Persia) | 2,000,000. |

Looking at these numbers,

HOW CAN ONE CLAIM MORE KILLED THAN THE EXISTING POPULATION IN THE CONTESTED AREAS??

DO NUMBERS LIE??

(Please continue on to next page)

Remembering from Brochure 5 of this series (please see p.4 for a listing) that **the Ottoman administration ordered the Armenian minority to be removed from Eastern Anatolia because of their uprising in collusion with the Allies during WWI, and considering their terrorist activities behind the Turkish forces fighting the invading Russians on the Eastern front, the number of Armenians **relocated** were as follows²:**

- | | |
|--|--|
| a- A British memorandum on "relief needs,"
Oct. 30th 1918 speaks of deportation | 1,000,000. |
| b- Cypriot historian Sonyel gives this figure as | 800,000. |
| c- Raymond Kevorkian speaks of | 870,000. |
| d- Boghos Nubar, head of Paris delegation, states
in 1918 that the relocated number was | 700,000. only, and
that 390,000 were alive (310,000 unaccounted as of the writing date
from 1915 until 1918) |

The third and most important issue concerns the Armenians who **survived**, and safely reached their destinations. Some settled there and started new businesses; some returned after the surrendering to the Ottoman Empire in 1918. Some returned with French and British armies into Cilicia hoping to establish a foothold there.³

According to Richard Hovannissian, "Armenia on the Road of Independence", Berkeley Univ. Press, pp.14-15,"By the end of 1916, nearly **300,000** Ottoman Armenians had sought safety in Transcaucasia, where nearly half were destined to die from famine and disease."³

.....
It should be clear by now, dear reader, that the total number of Armenians who lived in the contested areas of the Ottoman Empire before the First World War did not exceed 1.3 million. **How it is possible to kill 1.5 million people out of total population of 1.3 million (at a rate of 10,000 killings/day) and still have a balance of 1,414,000 or increase by 10%. (See item -1- on opposite page) Deaths of Armenians on Ottoman soils during 1914-1919 estimated to be in the range of 300,000-400,000 plus deaths in Armenia under their own government 1917-1919 approx. 200,000.** Obviously not all or more than all of them could have been killed as the numbers have been ratcheted upwards year by year by some organizations such as ANCA (Armenian National Committee of America), as you see on the cover of this brochure. It is true that many perished along with Turks and Kurds, not only because of fighting but also because of hunger, disease and other calamities during the WWI and relocation. Armenians who made it alive to Syria, then also part of the Ottoman Empire, were not sent to death camps. Indeed, they became the ancestors of today's huge Armenian diaspora and members of ANCA. And yet they have been perpetrating these fabrications for years. Enough is enough. Please spread the word, tell your representatives not to believe these kind of malicious fabrications and set the record straight. Thank you.
